## **COMPANY PROFILE**

M/s Foamtech Antifire Company, with its Sophisticated Plant & Machinery & Modern test Laboratory, is situated at Haridwar, Uttarakhand, India & Manufactures Fire Fighting Foam Concentrates of all varieties including Hazmat Foam, Wetting Agent, Synthetic Class 'A' Foam Mech. Foam High altitude, Mech. Foam Freeze protected, Concrete Bonding Foam under Brand name of "FOAMER" and Dry Chemical Powders of all varieties BC, Powder High Performance ABC, Powder Metal Fire etc. under Brand name of "FLAMAX" strictly in accordance with National & International Standards.

Our modern test laboratory is manned by Independent highly qualified technicians / lab assistants and quality control officers, who verify the characteristics of the products regularly to ensure the quality. The production line is also manned and supervised by experienced persons, in the field of Fire Fighting Chemicals, to ensure quality production of Bulk Quantity. We are an **ISO 9001:2008, 14001:2004 & 18001:2007** certified Company. Our Laboratory is a state of the art Lab, in firefighting chemical industry, and ensures satisfaction of the clients by testing the random product samples in their presence.

All our products are confirming to BIS (ISI), ICAO, ISO, MMD, IRS, DGMS, EN, UL and DGQA Standards & our "FOAMER" brand AFFF 3% AFFF 6% ,AR-AFFF 3/3 & 3/6, FP 3% , FP 6% ,FFFP 3% & FFFP 6% are UL Listed along with Containers. We are the **First Indian manufacturer** of having Two Dry Chemical Powder **UL LISTED** under our effort of **Make in India**. DCP ABC UL Listed was earlier imported from abroad and now we have become First Indian manufacturer in Asia for **DCP ABC UL Listed** and achieved the goal of "MAKE IN INDIA".

In addition to having private parties, we also have various PSU's, Central & State Govt. Offices, Power Plants, Petro Chemical & Gas Industries, Steel Plants, and Ports & Airports etc. as our customers. Please refer our web site [www.foamtechantifire.com](http://www.foamtechantifire.com)

We have also spread our wings in International Market and having parties in all the 6 continents covering more than 65 countries. Foamtech has installed domestic manufacturing capacity of thousand tons per month and one hundred and fifty thousand tons internationally. We have invested seven million on export plant.

As manufactures of Fire Fighting Chemical – Foam Concentrate under the brand name of FOAMER and DCP (Dry Chemicals Powder) under brand name FLAMAX, we look forward for longer business association with your organization and request you to please visit our website or email us at [marketing@foamtechantifire.com](mailto:marketing@foamtechantifire.com), [sales@foamtechantifire.com](mailto:sales@foamtechantifire.com) and [foamtechantifire@yahoo.com](mailto:foamtechantifire@yahoo.com) for any further clarification or enquiries regarding our products.
